

Kusang Patel

A hand-drawn diagram of a login form. It consists of a rounded rectangle containing three input fields. The first field is labeled 'username' and has a cursor icon at the end. The second field is labeled 'password' and has a cursor icon at the end. The third field is labeled 'login' and has a cursor icon at the end.

A hand-drawn receipt on lined paper. At the top right, the word "Check" is written. Below it, "Cost" is written. To the left of "Cost", the word "Items" is written. Below "Items", there is a box containing five wavy lines representing items. To the left of the box, the word "Total" is written, followed by the amount "\$21.99". At the bottom left, there is a box containing the word "Pay".

Pay

A hand-drawn diagram on lined paper showing a shopping list organized into categories. The entire list is enclosed in a large, hand-drawn oval. At the top, the title "My Lists" is written. Below it, a box labeled "List 1" contains a list of items: "apple", "bats", "chicken", "bread", "milk", "eggs", and "cheese". Each item is written in a separate box, with "bread", "milk", "eggs", and "cheese" each having a small box next to it containing the word "good". Below the "List 1" box is a box labeled "Search Items" which contains the words "blue berries", "peanut butter", and "chips". At the bottom of the diagram is a box labeled "Go Shopping!".

```

graph TD
    Title[My Lists] --> List1[List 1]
    List1 --> Apple[apple]
    List1 --> Bats[bats]
    List1 --> Chicken[chicken]
    List1 --> Bread[bread]
    List1 --> Milk[milk]
    List1 --> Eggs[eggs]
    List1 --> Cheese[cheese]
    List1 --> Search[Search Items]
    Search --> BlueBerries[blue berries]
    Search --> PeanutButter[peanut butter]
    Search --> Chips[chips]
    Search --> GoShopping[Go Shopping!]
  
```

THANK YOU,  
YOUR TOTAL  
WAS \$21.99

No to my kids

The diagram illustrates a computer system architecture. It features a large rectangular box labeled "MAR:" (Mainframe) on the left. To its right is a smaller rectangular box labeled "Items" at the top. Below the "Items" label, there are three wavy lines representing data or items. At the bottom of the "Items" box, there are three circles labeled 1, 2, and 3. To the right of the "MAR:" box, there is a large rectangular box labeled "Check-out" at the bottom. Inside this box, there are three horizontal lines representing data or items. At the top of the "Check-out" box, there are three circles labeled 1, 2, and 3. The entire diagram is drawn on lined paper.
